## CORNER BAR CABINET

 **WARNING**

Children have died from furniture tip over. To reduce the risk of tip over:

- ALWAYS secure this furniture to the wall using an anti-tip device.
- NEVER allow children to stand, climb, or hang on drawers, doors or shelves.
- Do not defeat or remove the drawer interlock system.
- Place heaviest items in the lowest drawers.
- NEVER put a TV on this furniture.

To ensure the safety of those using this cabinet, it is crucial to properly secure it to the wall using a tip-over device. This product includes the necessary items for fixing the furniture to the wall. However, it is important to note that incorrect installation or failure to use the tip-over device can result in serious injury or even death.

For this reason, we highly recommend that a professional installer handle the installation of the cabinet to the wall.

## IMPORTANT RECOMMENDATIONS

Do not paint the cabinet.

The cabinet **MUST** be used exclusively indoors, do not expose to direct sun.

Clean metallic hardware with a dry cloth.

Do **NOT** overload the cabinet (see suggested loads).

Do not hit or hammer the cabinet (just when indicated).

Clean with a slightly damp cloth, use gentle soaps.

Do not drag, lift and move between two people.

Avoid direct contact with water, fire or exposure to heat sources.

## RECOMENDACIONES IMPORTANTES

To prevent furniture tip-overs, it's important to properly install a tip-over device.

Here are the steps to secure the furniture to a wall:

Para evitar que los muebles se vuelquen, es importante instalar correctamente un dispositivo antivuelco. Estos son los pasos para asegurar los muebles a una pared:

- 1 Open the Tip-over prevention device that came with the product.  
Abra el dispositivo de prevención de vuelcos que viene con el producto. 
  - 2 Measure the height of the furniture on the wall and mark it. 
  - 3 Measure the distance from the top of the furniture to where you plan to attach the tip-over device. 
  - 4 Using a stud finder, locate the studs in the wall behind the furniture. Mark their location with a pencil.  
Usando un buscador de montantes, ubique los montantes en la pared detrás de los muebles. Marque su ubicación con un lápiz. 
  - 5 Hold the tip-over device in place on the furniture, aligning it with the marked location on the wall.  
Mark the position of the screw holes on the furniture..  
Sostenga el dispositivo antivuelco en su lugar sobre el mueble, alineándolo con la ubicación marcada en la pared. Marque la posición de los agujeros de los tornillos en los muebles. 
  - 6 Use a drill to make pilot holes in the furniture where you marked the screw holes.  
Use un taladro para hacer agujeros piloto en los muebles donde marcó los agujeros para los tornillos. 
  - 7 Secure the tip-over device to the furniture. 
  - 8 Attach the tip-over device to the wall, making sure the screws go into the studs.  
Fije el dispositivo de vuelco a la pared, asegurándose de que los tornillos entren en los montantes. 
- Test the tip-over device to ensure it's properly installed by pushing and pulling on the furniture.
- 9 If it's secure, it should not tip over or shift.  
Pruebe el dispositivo de vuelco para asegurarse de que esté correctamente instalado empujando y tirando de los muebles. Si está seguro, no debe volcarse ni moverse

After you finish the adjustment of the cams, cover them with the cover caps.

Después de ajustar todas las cajas minifix, cúbralas con las tapas adhesivas.

After you finish assembling the cabinet, take off the adhesive letters.

Al terminar de armar, despegue las letras adhesivas.

# WARRANTY POLICY

## PÓLIZA DE GARANTÍA

Furniture has a 3 year warranty coverage in wooden parts and 1 year warranty coverage in hardware pieces since its manufacturing date, which you can see in the lot number printed on the product box and the assembly instructions leaflet.

Warranty covers materials and workmanship imperfections which impair the assembly or correct functioning of the cabinet.

This warranty is not valid if the defects or imperfections are caused by the incorrect following of the assembly instructions, warnings and recommendations, misuse, intentional damage, fire or flood, or after modifications or any kind of alteration, or repaired by someone not authorized, when it's been assembled 3 months after the date of purchase. These defects **MUST** be reported before the warranty coverage period ends. Once the product has been assembled, the company will not be responsible for defective and/or damaged parts.

This warranty is **ONLY** valid for the **ORIGINAL PURCHASER**, it doesn't apply if the product has been resold, rented, etc.

Furniture will take no liability for incidental or consequential damages caused to or by the product (This may not apply in your state).

To make this warranty valid you must write to our customer service email describing the product defect, lot number and submitting your sales receipt or proof of purchase, or contact us at our customer service line. Replaced parts will be under the product's original warranty coverage period. Damaged parts will become property of the company.

There are no other warranties applicable to this product.
